At ease

Smart and stylin' picks that make your life easier. **PRODUCED BY SARAH GRANGER**

the original

Instant awesomeness
Dress up baby's everyday duds.

All girls deserve a few sweet accessories.

Lily & Mama headband \$14

Huggalugs leg warmers \$13

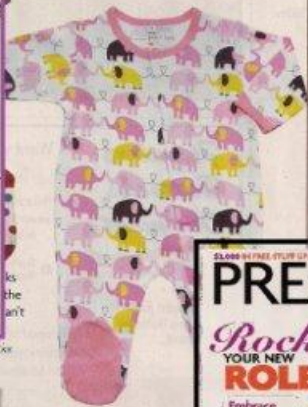

Z. Daisy pacifier clip \$16

Perfect pieces for handsome little boys

Not finding out baby's gender? These reversible suits make the perfect going-home attire—one side is pink, the other is blue.

Tivotara clothing from \$10

Same suit, different bib! Instead of changing baby's clothes every time he spits up, just snap on a new (perfectly coordinating and übercute) bib from this interchangeable line. PicklePees bodysuits and bibs from \$14

Magnetic closure makes wiggly tot's outfit infuse. Magnificent Baby \$30

These snazzy shoes fit four different sized feet. (Your budget will be a sigh of relief.) Shoppe \$22

One Step Ahead bodysuit \$4

Make one-pieces fit a little bit longer with an extender that adds extra length to too-short suits. One Step Ahead bodysuit extenders \$15 for 20
